WOODPECKER SW-M20

Features

Clear & Crisp Sound

The WOODPECKER SW-M20 2.1 sound system brings out life to your games, movies and music. Once you plug in those to your computer what you get in return is a clear, crisp and live sound at any volume you want.

Powerful Sound System

The system consists of a powerful subwoofer with 10W RMS output power and two phase plug satellite speakers with 5W RMS output power each that deliver crystal-clear sound effects.

Subwoofer Wood Design

Ported subwoofer wood design displaces more air for deeper bass.
